

Popular Broccoli Extract Product List

Extraction Parts: Broccoli Seeds, Stem, Leaf, Flower

Customization:

- 1). Liposomal type - Conventional & Water-soluble grades available upon customer request;
- 2). Innovative ideas based on yours;

Product Category	Specification	Extraction Type	Appearance
Broccoli Extract - Glucoraphanin	Glucoraphanin 1%	Ethanol extraction	Brown yellow powder
		Water extraction Type 1	Light brown yellow powder
		Water extraction Type 2	Light yellow to yellow brown powder
	Glucoraphanin 5%	Ethanol extraction	Brown yellow powder
		Water extraction Type 1	Light brown yellow powder
		Water extraction Type 2	Light yellow to yellow brown powder
	Glucoraphanin 10%	Ethanol extraction	Brown yellow powder
		Water extraction Type 1	Light brown yellow powder
		Water extraction Type 2	Light yellow to yellow brown powder
	Glucoraphanin 13%	Ethanol extraction	Brown yellow powder
		Water extraction Type 1	Light brown yellow powder
			Water extraction Type 2

KEEP INGREDIENTS CO. LTD

No. 2019, Unit 1, Building 10, Yuexiucheng Phase 1, Guodu Xuefu Street, Chang'an District, Xi'an, Shaanxi, 710119, China

Product Category	Specification	Extraction Type	Appearance
Broccoli Extract - Sulforaphane	Sulforaphane 0.1%	—	White powder
		—	Brown yellow powder
	Sulforaphane 0.4%	—	Yellow to brown yellow powder
		—	White powder
		—	Brown yellow powder
		—	Yellow to brown yellow powder
	Sulforaphane 1%	—	White powder
		—	Brown yellow powder
	Sulforaphane 4%	—	Yellow to brown yellow powder
		—	White powder
		—	Brown yellow powder
		—	Yellow to brown yellow powder
	Sulforaphane 5%	—	White powder
		—	Brown yellow powder
		—	Yellow to brown yellow powder
		—	White powder
Sulforaphane 10%	—	Brown yellow powder	
	—	Yellow to brown yellow powder	

KEEP INGREDIENTS CO. LTD

No. 2019, Unit 1, Building 10, Yuexiucheng Phase 1, Guodu Xuefu Street, Chang'an District, Xi'an, Shaanxi, 710119, China

Product Category	Specification	Extraction Type	Appearance
Broccoli Extract -	Microencapsulated Sulforaphane 1%	—	Yellow to brown yellow powder
Microencapsulated Sulforaphane	Microencapsulated Sulforaphane 5%	—	Yellow to brown yellow powder
	Microencapsulated Sulforaphane 10%	—	Yellow to brown yellow powder
	0.1% Sulforaphane	—	Light brown yellow powder
	0.4% Sulforaphane	—	Light brown yellow powder
Broccoli Extract - Sulforaphane /	1% Sulforaphane	—	Light brown yellow powder
Glucoraphanin with Myrosinase	4% Sulforaphane	—	Light brown yellow powder
Enzyme	4% Potential Sulforaphane (Glucoraphanin 10%)	—	Light Green Powder
	5% Sulforaphane	—	Light brown yellow powder
	10% Sulforaphane	—	Light brown yellow powder

1). With Own Broccoli Planting Base, quality could be guaranteed from the source, prices could be further discussed to make our both sides satisfied, surely be competitive in market.

2). We are FDA, KOSHER, HACCP, HALAL, ISO9001 Certified, and accept any kinds of approved statements you need; Monthly production is over 50tons;

3). Production lead time is around 5-7 days if no stock;
